

A photograph of the Hamburg skyline at sunset. The sky is a warm orange. On the left is the dark, ornate spire of the Hamburg City Hall (Rathaus) with a clock face. In the center is a modern glass skyscraper. In the foreground, there are various buildings, including a large one with a green glass roof and a red brick building with many windows.

A large white and red ship, likely a cruise ship, is docked at a pier. The ship has a red hull and a white superstructure. It is surrounded by other smaller boats and a city skyline in the background.
